Product Specification Sheet

Targus Spruce EcoSmart™ Messenger

Part #: TBM015US

Product Description:

The Spruce EcoSmart Messenger is designed to protect up to 15.6" widescreen laptops and is constructed with material made from recycled plastic bottles. The case is PVC-free and also features nickel-free hardware and recyclable plastic components. To store your essentials, the messenger features a key clip, business card holder and two zippered compartments for items you may need to access quickly. A separate file folder provides storage for files, documents and magazines while the adjustable/padded shoulder strap and durable handle provide comfortable carry options. The colorful green interior lightens the case, making it easy to find items stored inside. Both sleek and sporty, the Spruce line offers a durable eco-friendly option with tasteful color accents...
